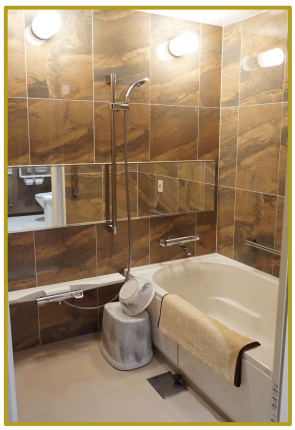
Type C rooms in Ward 8C provide an exceptional healing environment within a spacious private setting of over 30 m^2, complete with a separate bath, toilet, and washbasin. Designed with a serene Western-style aesthetic, these rooms are thoughtfully equipped to maximize your comfort. Amenities include a sofa, reclining chair, safety deposit box, microwave, refrigerator, and electric kettle. Offering a spacious and exceptionally comfortable environment for your recovery, this room is fully equipped with Wi-Fi and a large-screen television. The dedicated desk area, reminiscent of a private study, provides a tranquil space for reading or writing letters. For moments of relaxation, simply recline on the sofa and experience the cozy familiarity of your own living room.



Warm wood accents and premium amenities provide gentle support throughout the healing journey. Combining expansive space with refined elegance, this exclusive private room offers a serene sanctuary where patients can rest with complete peace of mind.

Fully equipped with a private en-suite bathroom and wash vanity, the space allows patients to bathe and refresh at their leisure. This thoughtful design ensures they can maintain their personal daily rhythm while they recover.
